STATEMENT OF PROBABLE CAUSE

Complainant has investigated the facts and circumstances of this offense and believes the following establishes probable cause:

At approximately 7:30 p.m. on or about July 24, 2019, Maple Grove police officers were dispatched to a residence located on the 6600 block of Eagle Lake Drive North, Maple Grove, Hennepin County, Minnesota, in response to a 911 call hang-up.

Responding officers knocked on the door. An adult male identified as MATTHEW GEORGE WITT (Defendant), answered the door. Officers observed that Defendant was covered in blood, and they saw a motionless human body on the floor inside the front door of the home. Defendant then put his hands in the air and said, "Take me to jail. I did it. I didn't kill them. They're alive. I let them live...They're hurt bad," or words to the effect. Officers asked Defendant about whom he was speaking, and Defendant said, "my parents."

Officers took Defendant into custody and entered the residence. They located two persons. Inside the front door, officers observed an adult female later identified as B.W. (Victim 1). She appeared to have suffered severe head trauma and was not breathing. The officers observed blood splatter on the walls near Victim 1's body. Officers attempted life-saving measures on Victim 1 until paramedics arrived at the scene. Responding officers also observed an adult male later identified as G.W. (Victim 2) on the floor of an upstairs bathroom. Victim 2 had bruises on his face and a laceration under his eye; he was bleeding from his head, but he was conscious.

A pathologist from the Hennepin County Medical Examiner's Office arrived on scene and pronounced Victim 1 dead. The Hennepin County Medical Examiner's Office has offered a preliminary opinion that Victim 1's manner of death was homicide.

Paramedics transported Victim 2 to the hospital. He told police that Defendant lived with the victims and that Defendant has suffered from mental health problems. Victim 2 reported that he was at home with Victim 1 and Defendant when Defendant attacked the two victims. Victim 2 said that he believed Defendant had been using methamphetamine. Victim 2 did not recall Defendant using any weapons. He only recalled Defendant using his fists to harm them. He said Defendant struck the two victims "all over" and that the last thing he remembered, Victim 1 was on the floor near the kitchen on the main floor of the residence. Victim 2 suffered multiple facial fractures, a laceration to his head that required staples to close and severe facial contusions.

Police spoke with a known adult female (Witness 1) who said that Defendant spoke with her at approximately 6:45 p.m. on the date of the incident. Witness 1 said Defendant mentioned that he and his parents had not been getting along. Defendant told her that victims' house and money would be his someday and specified that day would be soon.

Defendant remains in custody.
