## STATEMENT OF PROBABLE CAUSE

Complainant has investigated the facts and circumstances of this offense and believes the following establishes probable cause:

SPREIGL NOTICE: The State intends to offer evidence relating to the sexual assault of Victim A as described below for purposes of proving sexual intent, lack of mistake, and common scheme or plan.

On November 16, 2018, Victim A, a known adult female, made a report with the Ramsey County Sheriff's Office regarding a criminal sexual conduct incident that had occurred a couple of weeks earlier.

On November 3, 2018, Victim A went on a date with JEFFREY MARK ELDRED (DOB: 12/20/1985) who she had met on the Tinder dating application. Victim A went to Defendant's residence at 1383 Willow Creek Lane, Shoreview, Ramsey County. VICTIM A said they drank and made out while naked in Defendant's bed. VICTIM A did not want to drive after she had been drinking alcohol so she slept in Defendant's bed. VICTIM A awoke to Defendant putting his penis in her face. Defendant tried to put his penis in her vagina at least 10 times throughout the night. VICTIM A told Defendant no each time, but Defendant would try again a short time later.

On November 4, 2018, Defendant let VICTIM A use his computer for her class. VICTIM A saw at least 40 videos on Defendant's computer that appeared to show Defendant putting his penis in different women's mouths and vaginas as they slept. VICTIM A could not get the videos to play, but she took photos of the videos which she showed to law enforcement. The videos were apparently identified with initials of the woman who was in them. VICTIM A reported the incident to police because she was worried that it was going to continue happening to other women.

On November 21, 2018, police executed a search warrant at Defendant's residence. Defendant was advised of his constitutional rights and agreed speak to Investigator O'Hern. Investigator O'Hern told Defendant that VICTIM A had seen photographs and videos of women on his Gmail account. When asked to explain the videos, Defendant said they were of his on-again/off-again girlfriend, VICTIM B. Defendant claimed they would get drunk and take videos, but VICTIM B was aware of the videotaping. When asked about the videos with other initials, Defendant claimed there was someone from New York but he did not recall her name. Defendant explained that he emailed himself everything because he did not want the items on his phone because he was still married at the time. Defendant was not arrested when the search warrant was executed because law enforcement was still investigating the incident.

Police recovered Defendant's current cell phone while executing the warrant. Investigator Wallet was given the cell phone for processing. The cell phone contained a naked video of VICTIM A and sexually explicit videos of VICTIM B, a known adult female. It was apparent that neither woman knew they were being videotaped.

Analysis of Defendant's phone revealed several videos of VICTIM B where she appeared to be sleeping while Defendant digitally penetrated her or had his penis by her sleeping face.

On November 28, 2018, VICTIM B met investigators for an interview and she explained that she dated Defendant off-and-on for the past year. VICTIM B explained they usually stayed at her house, which is located in the City of Bloomington, Hennepin County. When asked if she was aware that Defendant had been videotaping her while she was passed out, VICTIM B said she was not. VICTIM B said one time they were at a conference in Arizona and she found something weird on her phone the next day after they had become intoxicated. Defendant claimed she had asked him to take pictures of her. She asked Defendant if

he had any photos of her and he claimed he did not. VICTIM B said that Defendant claimed to have deleted the items, but he would later threaten to send the naked photo of her to VICTIM B's new boyfriend.

VICTIM B was shown the following photographs and videos taken from Defendant's cell phone:

- 1) A photograph from December 9, 2017 depicting a female who VICTIM B identified as herself sleeping on a couch at a Christmas party VICTIM B attended with Defendant in the City of Bloomington, Hennepin County. VICTIM B's sweater is pulled up and her pants are partially pulled down exposing part of her buttocks.
- 2) A photograph and video from April 22, 2018 depicting a female who VICTIM B identified as herself sleeping or unconscious on her bed at her home, located in the City of Bloomington, Hennepin County. VICTIM B's bare buttocks are exposed.
- 3) Numerous photographs and videos from May 21, 2018 depicting a female who VICTIM B identified as herself sleeping or unconscious on her bed at her home, located in the City of Bloomington, Hennepin County. In some of the photographs, VICTIM B's is naked from the waist down and her breasts are exposed. In other videos, Defendant is kissing VICTIM B's genitalia and vaginally penetrating her with his penis and fingers.
- 4) Two videos from an unknown time during VICTIM B's relationship with Defendant (between December 2017 and November 2018) at an unknown location showing Defendant digitally penetrating VICTIM B while she is asleep or unconscious.
- 5) Numerous photographs and videos taken on September 23, 2018, depicting a female who VICTIM B identified as herself sleeping or unconscious on a bed at a hotel, located in the City of Bloomington, Hennepin County. Some of the photographs depict VICTIM B's naked. Others show Defendant placing his penis on or near VICTIM B's face. In other videos, Defendant vaginally penetrates her with his penis and fingers. He also forces his penis into VICTIM B's mouth and ejaculates on her face.

VICTIM B said she never agreed to let Defendant take the above photographs or videos of her and was unaware they were taken because she was sleeping or unconscious.

Later on November 28, Defendant began texting VICTIM B saying he sorry and asking her if she was going to press charges. Defendant claimed he was blacked out and begged VICTIM B not to press charges. VICTIM B then called Defendant. Law enforcement recorded the conversation. Defendant denied having sex with multiple people or videotaping them. He said he only had sex with her on one video and he was sorry about that. Defendant denied drugging VICTIM B or other women. Defendant said he was sorry that he had not deleted them. VICTIM B told Defendant to no longer contact her. Within minutes of the phone call, Defendant resumed texting Victim B.

On November 21, 2018, deputies arrested Defendant at his residence after he had contacted VICTIM B and deleted items from the cloud. Deputies recovered an iPhone from Defendant. Defendant was advised of his constitutional rights and again agreed speak to law enforcement. Defendant said he got the cell phone that day so he could talk to VICTIM B. When asked if he had communicated with VICTIM B in an attempt to dissuade her from cooperating with the investigation, Defendant asked for an attorney.

Law enforcement continues to attempt to identify other women in the videos.

Defendant is in custody.
