Charge Description: That on or about 7/12/2014, in Hennepin County, Minnesota, Anthony Allyn Simons , did, without intent to cause death, proximately caused the death of JDP, a human being, by directly delivering or distributing a controlled substance classified in Schedule I or II, to wit heroin.

STATEMENT OF PROBABLE CAUSE

Complainant has investigated the facts and circumstances of this offense and believes the following establishes probable cause:

On July 12, 2014, officers responded to Upland Avenue North in Maple Grove, Hennepin County, Minnesota, on a report of a possible death. Upon arrival officers found JDP, a known adult male, deceased in the lower level of the home. A search of the immediate area revealed a syringe, tourniquet, and a piece of paper with suspected heroin residue on it. Officers spoke with JDP's mother who reported that she saw JDP on July 11, 2014 at about 11:30 pm in the basement with two friends.

The Hennepin County Medical Examiner performed the autopsy on JDP. The cause of death was determined to be acute heroin toxicity.

Officers made contact with the two friends who spent time with JDP during the evening of July 11th. Officers spoke with BRB, a known adult female, at her parent's home. Officers advised BRB why they were there and she immediately began crying. BRB told officers that she was with JDP and ANTHONY ALLYN SIMONS, defendant herein, during the evening hours of July 11th, 2014. BRB reported that she was with JDP and he wanted to "be numb" that evening. JDP reported that she was driving her vehicle and JDP and the defendant were in it. The three of them drove to the Chipotle located on Hennepin Avenue in the Uptown area of Minneapolis for the purpose of buying drugs. BRB reported that upon arriving at the Chipotle, the defendant made a phone call and then got out of the car, was gone for a short period of time, and returned to the vehicle. Upon returning to the vehicle, the defendant provided JDP a small baggie that he removed from his mouth. The three of them returned to JDP's home where she observed JDP prepare to inject the drugs he had just received from the defendant. After injecting the heroin, JDP began acting bizarre, stripped naked, and could not follow the conversation. BRB reported that the defendant left shortly thereafter and told her to "watch" JDP as he was extremely high and make sure he doesn't do anymore. BRB stayed at JDP's home until about 11:45p.m. before she left to go home.

Officers spoke with the defendant as well. When the defendant saw that officers were there to speak with him he asked if JDP had died as he is familiar with heroin overdoses and has lost several friends from overdoses. The defendant reported that he also was with JDP and BRB on the night of July 11, 2014, and JDP wanted to get high. The defendant reported that he agreed to arrange to buy \$50 worth of heroin from a guy he knows as "C." He stated that he agreed to do this for JDP because he knew "C" well and he would be able to get the heroin for \$40 instead of the usual \$50. The defendant stated he called "C" at 612-501-8787 and asked "C" if he could get heroin for \$40 instead of \$50 for a friend. The defendant reported that "C" said yes and told him that he was at the Chipotle on Hennepin Avenue. The defendant reported that upon arriving at Chipotle, he called "C" and told him they were there. "C" told him to get out and they met where "C" said "hey, what's up man" to the defendant as they knew each other. The defendant reported that "C" used to be his main source of heroin. The defendant exchanged money for the heroin and returned to the car where he gave the heroin to JDP.

Upon returning back to JDP's home, the defendant observed JDP shoot up with the heroin he had just been provided by the defendant. The defendant reported that he then observed JDP to be extremely high. He asked BRB to watch JDP and left. The defendant reported that he was concerned on July 12th when he tried to call JDP but did not get an answer.
